## CONGRATULATIONS DAVE WESLEY

“For even the Son of Man came not to be served but to serve, and to give his life as a ransom for many.” (Mark 10:45)

Throughout his professional career, Dave Wesley has maintained a humble mission of servitude. A dynamic calling of seeing himself in others and being open to God leading him, placed Dave in areas and positions of great influence and leadership.

*“Dave looks at people doing the work as being very valuable. He is personal, warm and has shown real interest in our work. He has been a real blessing.” Nate DeWard, Executive Director, Reach the Forgotten (Grand Rapids, MI).*

Raised in Detroit, Michigan, Dave’s passion for baseball led him to play collegiately at Siena Heights University. A left-handed pitcher, to this day his name impressively remains on the school’s record board as an Earned Run Average leader.

The qualities which helped make Dave an elite athlete also developed him well into a public-facing career in sales and management. Recognizing his dynamic work ethic and potential as a young hire, employer Federal-Mogul relocated Dave from Michigan to a sales position in Sacramento, CA.

## CONGRATULATIONS DAVE WESLEY

Later, his work for Pacific Bell in San Francisco and the East Bay solidified Northern California as where he would build his homestead, and with his wife Kathy Wesley, raise two children. Dave's flourishing career placed him in the epicenter of internet-based activity, and he became involved in the technology industry during a very successful and exciting time of innovation.

However, those economic highs for many businesses were not sustainable and when the dot com bubble finally burst, Dave found himself unemployed. Maintaining composure under pressure, a skill honed from his time as a pitcher, Dave found himself likewise pivoting and changing his life's direction. Returning to school, he received a theology degree from Jessup University and entered ministry full-time. He graduated from being a Board Member at his church to an Administrative Pastor. He was able to grace several churches as a lead Pastor before joining Bayside of South Sacramento (BOSS) church.

A multi-cultural community church, BOSS allowed Dave to dive deep into using his spiritual gifts, including his capacity to lead thoughtful conversations and steward meaningful, Christ-focused relationships. He lamented when his congregates relationally could not be candid or authentic with a church leader, or with one another, often out of shame or guilt. As a pastor his interactions with parishioners led to his heart also desiring to help prisoners.

## CONGRATULATIONS DAVE WESLEY

He was working as a Career Coach and pastor at BOSS when the untimely death of its co-founder and leader, Bishop Sherwin Carthen, caused great loss for the entire community. During this difficult time Dave transitioned from BOSS into a position at The Eternity Challenge, a Rocklin-based reentry program that aimed to provide meaningful vocations such as construction and resources to men coming out of incarceration. He began leading Life Skills classes for inmates at Old Folsom prison, and in these classes, he met men wanting to 'figure things out' and get deeper in their own faith. Dave also became familiar with The Urban Ministry Institute (TUMI) seminary education opportunities being provided the inmates.

*He loved helping his students answer questions, such as, "where do I belong?" and, "how do I fit in?" showing them they likely needed to come back to God. Working with his students, the universal connection and authenticity he sought among all people was truly experienced.*

*The connection that all are desiring of love, purpose and belonging became very evident to him.*

His time with the Eternity Challenge introduced Dave to Serving California, which hired him in 2016 to represent Northern California as a Reentry Director. His experience with reentry and The Urban Ministry Institute (TUMI), including his genuine compassion for inmates and the formerly incarcerated, made him a terrific fit for the position.

## CONGRATULATIONS DAVE WESLEY

As our organization's scope grew into Serving USA with a leading national presence, Dave was elevated to Program Director overseeing relationships within our wide community and network of grantee partnerships throughout the country. He also continued to teach at Old Folsom until COVID-19 threw a curveball which curtailed his outreach and classes. Unable to visit in person, he shifted to encouraging his students by speaking with them by phone and meeting with those reentering students in their own communities. Dave's ongoing investments in people demonstrated his unwavering servant's heart, and unshakeable determination.

*When Dave received a life-altering leukemia diagnosis with a rather unfavorable prognosis, that determination and incredible faith were on display in a very personal way.*

Thinking especially of his expanding family with grandchildren, Dave was driven to beat cancer. In addition to standard treatments, he pursued a very risky bone marrow transplant procedure. Convincing his doctors he would be their 'best patient' and follow all rules and guidelines, they took a chance, and their national search located a matching donor candidate. The transplant and treatments were a very rough time which included lengthy hospitalizations as Dave's immune system was completely depleted medically then restored with healthier donor stem cells. Glory to God for answered prayers, Dave's transplant and recovery were successful, and miraculously he has been in remission since June 6, 2021.

Even while he was battling cancer, Dave continued his work and checked in on his responsibilities as he was able. Throughout his career with Serving USA, he has united his heart interests with his love for Christ and business acumen, and he has been an exceptional resource to all in his care.

## CONGRATULATIONS DAVE WESLEY

One of his associates, Josh Jonas, founder and President of Arukah in Livermore, California, shared:

*“Arukah has been blessed to receive grants from Serving USA since 2018. During that time, Dave has come alongside me and our organization, becoming both a mentor and a friend. I always look forward to his phone calls, visits, and lunches. Dave is a man of God who loves his family, carries immense wisdom, and is deeply passionate about the work God is doing through the ministries of Serving USA. His guidance has been instrumental in helping me develop Arukah, and I am truly grateful for him. Dave, I hope you enjoy an incredible and well-deserved retirement!”*

As news of his upcoming retirement spreads, it is no surprise agencies are recruiting him to join their Board of Directors or volunteer to lead programs, and these duties may come in time.

With new places to go and new stories to write, Dave and Kathy will enjoy much deserved leisurely travel, including embracing Dave's lifelong passion for baseball by visiting remaining Major League baseball stadiums on their Dreams To-Do list.

Providing Grace and Redemption through Christ for Prisoners, Women in Recovery, and Military Veterans

# CONGRATULATIONS DAVE WESLEY

The team and community of Serving USA are thankful Dave has been a major part of our lives for many years and are delighted he and Kathy can fully experience this next life chapter. Congratulations Dave, we look forward to hearing more from you along the way!

## Partner Feature: **PRISONERS FOR CHRIST**

Prisoners For Christ Outreach Ministries (PFC) of Woodinville, WA, is a ministry dedicated to taking the Gospel of Jesus Christ into prisons locally, nationally, and internationally. Prisoners want to know the truth, so PFC introduces them to the Truth, the Way and the Life by offering materials, mentorship, and meaning. These incarcerated brothers and sisters are, what PFC affectionately refers to as, The Inside Church.

PFC was founded in 1989 by a stockbroker named Greg Von Tobel. The Lord called Greg and his wife, Rhonda, into full-time prison ministry after years of being invited to minister inside a local jail. In 2002, PFC made its first international prison mission trip to Russia. Today, PFC has over thirty pastor partners in over twenty countries who take the Gospel of Jesus Christ into prisons under the PFC banner.

Prisoners For Christ is well-known inside prisons for its **Bible Study Correspondence School** (with over 2,200 inmate students,) as well as its inmate newspaper, **YARD OUT**, which is published three times a year and is mailed to hundreds of facilities around the country. The YARD OUT newspaper publishes testimonies, poetry, and artwork from prisoners who write to the editor. Each year, PFC holds an Inmate Artwork contest and awards the top three winners with cash prizes. These beautiful pieces of artwork are testaments to the hope Christ offers these artists.

## Partner Feature: **PRISONERS FOR CHRIST**

In 2018, Greg Von Tobel started the International Bible Institute, essentially taking PFC's beefy Bible Study Correspondence School and customizing it for prisoners in other countries. PFC has planted six schools in four countries and has graduated four cohorts so far.

The Lord was gracious in giving PFC vision during COVID to convert its core prison volunteer offerings of church services, Bible studies, and outreach concerts into digital formats so Chaplains could offer services inside the closed prisons. God inspired PFC again to step up the quantity and quality of resource material they procure and offer it online for Chaplains to order free-of-charge. PFC's Literature Department has exploded into an entity almost all its own since then. The requests for literature are often overwhelming.

*"Good resources are always hard to come by, so we absolutely appreciate the materials that are distributed by PFC. They are not just another 'free resource.' They are thoughtfully designed and attractive to those in need of spiritual help. We have plenty of organizations that are willing to ship us fodder that no one wants. Prisoners For Christ goes the extra mile to make the Gospel desirable. Thanks for all you do!" - Chaplain Ron, Pennsylvania*

Two of the most popular literature requests are for the **PFC Study Bible** and the **Yard Out 31-Day Devotional & Prayer Journal**. These PFC publications were created specifically with prisoners in mind; customizing both to minister to the hearts of prisoners. Both are given freely to chaplains and prisoners across the U.S.

## Partner Feature: **PRISONERS FOR CHRIST**

*“I received a PFC Study Bible a while back in May. Ever since then, you guys have supplied so many of my brothers in Christ in my pod with Bibles and other Christian literature. I can’t explain how grateful and thankful I am for your services. Glory be to God. Everybody is in love with these study Bibles. Thank you so much for equipping us with the Sword.” - Kevin R., New Mexico*

PFC is excited to announce that its media content will be made available in early 2025 on **The Pando App**. The Pando App is a free Christian app that was created by a few bright minds at God Behind Bars prison ministry out of Nevada. Their app is available on nearly 1 million prison tablets in the U.S. and provides a platform for churches, worship groups, Bible teachers, and various types of ministries to upload their content and make it available to every prisoner who has one of these tablets. Prisoners For Christ will offer up our video church services, Bible studies, and outreach concerts, as well as a “Book of the Month” club where we will rotate a book they can download each month.

Providing Grace and Redemption through Christ for Prisoners, Women in Recovery, and Military Veterans

## Partner Feature: **PRISONERS FOR CHRIST**

This new venture also begs for new content to be included on the app. Discussions abound at PFC regarding the prospect of podcasts, artist music videos, video devotionals, and many other ideas for the Pando App. The level of excitement cannot be overstated at the chance to reach prisoners IN THEIR CELLS; where they experience the most intimate moments with their Creator; when no one else can hear the tears in their prayers. Prisoners For Christ wants to be there in the prison cells for those seeking Christ in those precious moments.

*It's important for prisoners to know that God has not forgotten them. And neither has PFC.*

## Serving USA Introduces 2025 Partners

A Christian ministry and nonprofit organization, Serving USA uniquely provides grants, support, and resources to other Christian nonprofit organizations. Their mission is to bring grace and redemption through Christ to Prisoners, Women in Recovery, and Military Veterans. By contributing to exceptional partner groups they assist in creating, enhancing, and expanding high-quality, evidence-based, transformational programs.

*Serving USA's annual grant opportunity carefully selects qualified 501(c)3 designated non-profit ministries through a detailed application process and other vetting strategies.*

*Since 2012 they have proudly donated over \$45 million dollars to deserving groups throughout the country.*

Serving USA is pleased to announce the following 2025 partners who will be provided financial sponsorship and support services such as marketing training, mentoring, board development and legal guidance as needed. In addition, selected previous years' grantees who remain as Legacy Partners will continue to receive guidance and advisory support as part of the Serving USA community.

*Congratulations to these exceptional ministries.*

## Serving USA Introduces 2025 Partners

### **Along Side Ministries, (Phoenix, AZ)**

Vision: To mobilize the Body of Christ to disciple and equip incarcerated men and women for victorious Christian living.  
For more information:

## President's Corner

Greg Bruce  
President, Serving USA

Life has a way of leading us through valleys of devastation, places where hope seems unreachable, and transformation feels impossible. For many, the journey through prison—be it spiritual, emotional or physical—becomes a defining chapter of despair. Yet it is often in those darkest moments the light of Christ shines brightest, illuminating a path of redemption and recovery.

As **Prisoners for Christ** shares this month, it is important for people to know that God has not forgotten them. Serving USA's Program Director **Dave Wesley** found his calling walking in-step with them, offering support during their incredible life renovations. This month we reflect on Dave's impactful career and congratulate him on his retirement.

Many of those in our Serving USA community are in need and facing challenges today. Christ's transformative power offers hope to the hopeless, a second chance for those burdened by past mistakes, and a healing touch for wounds that seemed beyond repair. The announcement of our **2025 Serving USA Grantee Partners** celebrates ministries who believe in God's provision and are truly making differences in the lives of prisoners, veterans and women in recovery. They offer proof, from the ashes of pain and brokenness; stories and lives of renewal and recovery do emerge. In the year ahead we will continue to share testaments and inspirations our partners witness every day of God's unrelenting grace, and the boundless possibilities of lives rebuilt on His foundation. Thank you for your continued interest, and prayers of support for Serving USA.

Thank you,  
-Dr. Greg Bruce

Providing Grace and Redemption through Christ for Prisoners, Women in Recovery, and Military Veterans

## Partner Events

*February 8th*

**Arukah 7th Annual Crab/Pasta Benefit Dinner**

**Saturday, February 8th, 4:00PM**
